

**Postdoctoral position available
in Transmission Electron Microscopy
at the Advanced Microscopy Laboratory (LMA)
of the Aragon Institute of Nanoscience (INA)**

PROFILE: Characterization of nanomaterials by means of Aberration Corrected Transmission Electron Microscopy.

QUALIFICATION: PhD in Physics or Chemistry with research experience in **Transmission Electron Microscopy (TEM)**. Experience in **Aberration Corrected TEM** will be highly valued.

FUNDING: Advanced Microscopies Laboratory (LMA).

DURATION: 1 year renewable.

GROSS SALARY: about 30.000 €/year.

POSITION AVAILABLE IMMEDIATELY.

Submit CV and cover letter to:

Dr. César Magén (cmagend@unizar.es) and Dr. Etienne Snoeck (snoeck@cemes.fr)
