## **Your Guide to EMC2024 🌟📝🔍 Abstracts, Registration, Speakers & Social Events!**

Excitement is building for the European Microscopy Congress 2024 (EMC2024), and we're thrilled to provide you with essential updates on abstracts, registration, plenary speakers, and social events. Here's what you need to know:

### **ABSTRACT DEADLINE EXTENDED!**

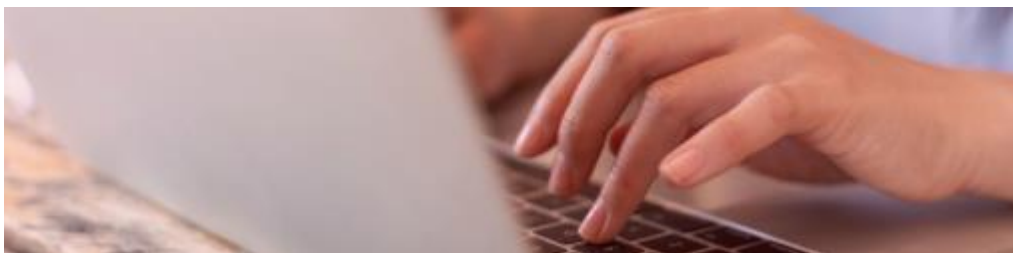

If you are interested in delivering an oral presentation, the deadline for oral abstracts is now **17 April 2024**.

We have over 650 amazing abstracts submitted so far! But we're not done yet - We want even more! With a total of two sets of six parallel sessions each day, there's plenty of space to fill!

Hurry up and submit your abstract today to get your share of the spotlight at this exciting event!

Or, if you prefer presenting a poster, make sure to submit your poster abstract by **17 April 2024**.

**[Submit your Abstract here!](#)**

### Registration: Secure Your Spot Today!🕒

Great news! Early bird registration for EMC2024 is still available, but act fast - the deadline is July 6th, 2024. Secure your spot today to take advantage of discounted rates and priority access to session selections and workshop reservations. Don't miss this opportunity to join us for Europe's premier microscopy event

**Register before July 6th!**

### Plenary Speakers: Meet the Experts 🎤 🌐

Prepare to be enlightened by our esteemed lineup of plenary speakers, who are leaders in their respective fields. Gain insights from their groundbreaking research and discoveries as they share their expertise on topics ranging from nano and biophysics to brain research and beyond.

Join us in welcoming:

- **Eva Olsson**, Full Professor at Nano and Biophysic
- **Carolyn Larabell**, Professor and Vice-Chair of the Department of Anatomy
- **Moritz Helmstaedter**, Director at the Max Planck Institute for Brain Research
- **Emma Lundberg**, Professor of Bioengineering and Pathology
- **Vincenzo Grillo**, Head of the Electron Microscopy Group
- **Claus Ropers**, Professor of Experimental Solid State Physics

## **Social Events: Make Memories in Copenhagen 🌐 ☐**

Enhance your EMC2024 experience by participating in our engaging social events, designed to foster networking and camaraderie among attendees. Immerse yourself in the vibrant culture of Copenhagen while creating lasting memories with fellow microscopy enthusiasts.

Highlights include:

### **Welcome Drinks Reception at Bella Center ☐ 🍷**

Kick off the congress with a warm welcome and networking opportunities.

### **Accompanying Persons Tours 🚶♂️**

Explore the beauty of Copenhagen and its surroundings with guided tours to iconic landmarks and historical sites.

### **Gala Dinner 🍷 🎵**

Indulge in an evening of fine dining, live music, and dancing at our gala dinner, where you'll celebrate the achievements of the microscopy community.

### **Farewell Drinks Reception ☐ 🌟**

Bid farewell to new friends and colleagues as we conclude EMC2024 with a casual gathering to reflect on the week's events.

Make the most of your EMC2024 experience by participating in these unforgettable social gatherings. We can't wait to welcome you to Copenhagen for an inspiring and enriching congress!
