

## EMS NEWSLETTER 76

JULY 2022

Prof. Dr. José VALPUESTA  
EMS President

Prof. Dr. Virginie SERIN  
EMS Secretary

In April this year, the **EMS** Executive Board meeting was held in Bologna (Italy) from May 30 to June 1, 2022. Some of the most important discussed topics and decisions are mentioned on this newsletter. One of the subjects of high interest was EMC2024. Its preparation, efficiently managed by the conference chair Prof. Klaus Qvortrup, is running as expected. Another important subject was the update of the **EMS** constitution.

The second **EMS** extension event of 2022 will be the 16<sup>th</sup> Multinational Congress on Microscopy (MCM), to be held from 4 to 9 September 2022, at Best Western Premier Hotel International Brno (Czech Republic). During this congress, two important meetings will take place: the **EMS** Board meeting and the **EMS** General Assembly. Important announcements and key decisions will take place during these meetings, and we hope to see many of you there since your participation and opinion is very important for the society.

For the Second Half of 2022, new **EMS** Sponsored events have been selected, including:

- **ELMINA2022 - Conference on Electron Microscopy of Nanostructures** meeting, which will take place in Serbia on August 22-26 2022. <https://elmina.tmf.bg.ac.rs>
- **Focused Charged Particle Week: 8<sup>th</sup> Focused Electron Beam Induced Processing** Workshop meeting, which will take place in Poland, on July 13-15 2022. <https://acmin.agh.edu.pl/en/febip2022/>

- **Ebeam2022 - School on nanooptics with free electrons** meeting, which will take place in France, on September 11-16 2022. <https://ebeam2022.sciencesconf.org>

Congratulations to the organizers of these events, and we hope you can be there. You can find more information on these events at the **EMS** website: <https://www.eurmicsoc.org/en/meeting-calendar/ems-sponsored-events/>.

You may have now received the 2021 **EMS** Yearbook. We hope you have enjoyed reading the reports on the various activities of our society, affiliated societies and **EMS** members on the events from the past year. The 2021 **EMS** Yearbook includes reports written by students who received a scholarship, special events announced by **EMS** members and new reports from national societies who shared with us their activities and events.

**Finally, we invite you to visit the EMS webpage:**

<http://www.eurmicsoc.org/en/>, which is daily updated to efficiently provide you with information from our community.

Any suggestions and ideas for future newsletters are welcome at [sec@eurmicsoc.org](mailto:sec@eurmicsoc.org).

We look forward to seeing many of you in Brno
